

## **RUNHALL RECREATION GROUND**

### **Report for Runhall Parish Meeting - April 2016**

The allotment rents remain at their present rate for another year but following a recent meeting of the Trustees it was agreed that due to the costings of insurance and the possibility that we will not be able to obtain a grant next year to help financial with this the rents will increase by £5 per annum WEF October 2016.

It was also agreed at that meeting, to mark out the allotment plots, repair and replace the entrance gate along *The Green*, mow the back road access and remind allotment holders of their responsibilities!

We currently have no vacant plots.

The perimeter hedges have been cut, hopefully this will mean their maintenance will be easier now.

If you would like to know more about the Recreation Ground - which was left to Runhall in an Inclosure of 1853 - please search on the Charity Commissions website.

Trustees - Bev Long, Mike Webb, Liz Holmes, Peter Wood

Charity number 244796
