Council Vacancy

There is a vacancy on the Parish Council which will be filled by co-option (the council invites someone to join without the need for a public election). As a councillor you can put forward your own ideas, help to meet the needs and views of parishioners, get involved in decision making and help keep our parish a good place to live.

If anyone is interested please contact the parish clerk, Bev Long, who will then send you more information, including an application form. Applications must be received by 1 July 2021.

Littering/Fly Tipping

There has been an increase in littering and fly-tipping in the parish recently. Please remember that fly-tipping and littering has a negative impact on the environment and human health. It is also a criminal offence.

Both businesses and householders have a legal duty to dispose of their waste correctly. Clearing up waste and litter is a cost to the taxpayers in South Norfolk.

For further details, including when and how to report incidents, please see the South Norfolk website.

Help Fund our Defibrillator

With costs to install this amazing piece of kit in the village at around £1500 and £2000 the Runhall Village Community Group are hoping to hold an event later this year (Covid regulations permitting) to raise money.

Support from both the Parish Council and the District council has kick started the funds but there is a way to go.

If anyone wishes to make a donation or knows of businesses, groups or charities that may be interested support this project please contact Clare 07873233393.

Covid Update

Whilst the situation is improving with the vaccination roll out and the easing of lockdown restrictions in sight it is still vital for everyone to follow government advice, with the current guidance being available at www.gov.uk/coronavirus

Annual Meeting

There was a video presentation from George Freeman together with reports from various parish organisations which are all available on the website.

The chairman thanked everyone for helping with supporting the community during the various lockdowns.

The council has subsequently discussed one of the key topics raised by George Freeman – how to help the economic recovery as we come out of lockdown and the furlough scheme ends and in particular how can local businesses (current and start-ups) be helped to thrive in a way that is appropriate for the parish.

The council has agreed to work with George Freeman and our local council representatives (NCC – Margaret Dewsbury and SNDC – Richard Elliot) on this issue.

Public Right of Ways (PROW) – New footpath warden

We are pleased to welcome Donna Dean to the team, who has volunteered to be the footpath warden for Coston.

Fuel Co-ordinator

The role of group co-ordinator for the parish fuel scheme is no longer required due to the process changing. All purchases are now done directly with AF Affinity (01 603 881888, thinkingfuel@af-affinity.co.uk). The council would like to thank Jill Craig for doing this job.

Local Elections

Following the local elections on May 6th Margaret Dewsbury has been re-elected as the Norfolk County Council representative for Hingham (which includes our parish) and Giles Rackley Orpen- Smellie has been elected as the Norfolk Police and Crime Commissioner.
