Message from Inspector Andrew

It has been a particularly busy month across South Norfolk due to an increase in demand, with my officers working extremely hard and having dealt with a number of challenging incidents. This month has also seen the carriageway clearance project go live, with officers trained by Highways England now able to remove certain highway obstructions enabling roads to be cleared quickly and safely, whilst reducing the amount of time officers spend waiting for the road to be cleared. This month also sees Sgt Tracey Fox from the OPT retire after over 30 years service in the Police, and I would like to thank her for all her help and wish her all the best in her retirement.

Message from your Engagement Officer

This month we launched a social media campaign encouraging residents to get in the habit of completing a #9PMRoutine.

The idea comes after the incredible success of a concept launched in Pasco County, Florida in America, which asks the public to check certain things around their home at a designated time.

We know that some criminals are opportunistic, looking for that quick and easy win.

By completing the #9PMRoutine residents are making life so much harder for offenders. This will ultimately result in a reduction in crime.

Residents are asked to conduct the following checks:

Check your vehicles, Shut your windows, Lock your doors and Check your outbuildings

We've had a spate of tools being stolen from vehicles across the county and we hope this routine helps remind you to make sure your vehicles are locked and that any valuables are removed.

What is happening in your area

July has been a successful Month for our SNT with some great results. I have continued to try and be as proactive as I can on getting drugs off our streets in our communities with one person being dealt with for possession with intent to supply drugs. I've also managed to curb some ASB which was reported on Central Hall Car Park, Wymondham.

Clearly due to the great weather we have had, the recreational areas of our Communities have been very busy. Therefore I have tried to attend as many of them as I can at peak times to engage with the persons present and keep a lid on ASB.

It was great to see so many of you at South Norfolk on Show at the beginning of the Month.
